APPLICATION FOR VARIANCE

A drawing (site plan shown from a "bird's eye" view) indicating property lines, location of all buildings presently on the property and the location of the proposed new structure(s), must be submitted with this application. The site plan should also include measurements from your new project to property lines and distances between all structures. An application will not be deemed complete or processed until the permit fee has been paid, a site plan submitted, proof of ownership provided, and this form completed. "Change of Use" applicants are exempt from providing a site plan as indicated and instead, will provide a statement of the proposed new use of the existing structure.
